

MEDICATION ADMINISTRATION PROGRAM (MAP) CERTIFICATION & PRIVATE TUTORING FOR NURSING STUDENTS

**Stephanie Victoria RN,
MSN**

I've been a nurse for over 11 years. My Master's is in Community Health with a specialization in Education. Education is my passion. I have years of experience as a professor in a variety of nursing programs.

Everything from RN-BSN; Masters programs and Associate degree programs. I know what it takes to pass nursing school exams and also the boards.

Currently, I have completed the Train the Trainer course which allows me to deliver the DPH and Massachusetts approved curriculum for MAP certification and recertification. People who have the certification are able to obtain positions as direct care staff in DDS, DMH and DCF organizations.

MAP Certification \$275

MAP Re-Certification \$75

Private Tutoring \$30/hr
