

## About Us

At Rivers of Hope, we provide compassionate in-home care services—including Adult Foster Care (AFC), Group Adult Foster Care (GAFC), and Veterans Care—designed to help individuals live safely and comfortably at home. Our goal is to support independence, dignity, and a better quality of life for every client we serve.

As a local owned and community-centered provider, we're committed to providing culturally sensitive care that reflects the communities we serve. With a diverse team and a heart for service, we deliver more than care—we bring connection, respect, and hope into every home.

## Mission Statement

At Rivers of Hope, our mission is to provide a sanctuary of support, instilling confidence in our individuals and families by being a beacon of hope and guiding our clients toward brighter futures through compassionate, innovative care.

We are dedicated to transforming our community's health and well-being by offering personalized services and vital support. Our commitment extends to offering financial, educational, and instructional support to families aiding their loved ones.

## Vision Statement

Our vision at Rivers of Hope is fostering a world where hope flows as abundantly as the rivers that inspire us

## Statement of Core Values

**Unity:** Our success thrives on teamwork and collaboration, uniting diverse perspectives for greater outcomes.

**Integrity:** We build trust through responsible actions and honest relationships.

**Empathy:** Our approach is rooted in kindness and understanding.

**Respect:** Prioritizing Dignity and **Civility Diversity:** We value and celebrate diversity within our staff, the people we serve, and the community.

# Our Comprehensive Care Services

## Home Health Services

From skilled nursing to rehabilitative therapies, our dedicated professionals are here to support your health and well-being.

## Adult Family Care (AFC)

This service is designed for individuals who thrive in a family setting, offering personalized care plans, social engagement, and support with daily activities.

## Group Adult Family Care (GAFC)

Our Group Adult Family Care service extends the warmth and personalized care of AFC to a group setting, promoting social interaction and community involvement.

## Private Duty Nursing

This service is ideal for managing all types of medical conditions, ensuring medication management, and providing advanced care with the utmost respect and professionalism.

## Veteran Care

Our heroes deserve the best, and our Veteran Care services are designed to honor the men and women who have served our country. In partnership with veteran services, we ensure our heroes receive the support and recognition they deserve.
